Dear Unit Owners and Guests,

With the World Cup behind us, and all feeling either a bit of an anti-climax which always happens after any big event in our lives, we do have some events to look forward to at Marina Letata!

SOCIAL EVENTS !

It's time to begin creeping out of hibernation and shaking off the drab brown look. To help get you into the **Spring** and not so far off **Summer** season, we are organising a couple of social events to look forward to. **PLEASE DIARISE THESE TWO IMPORTANT DATES** – put them into your Blackberries, diaries, wherever you are guaranteed to be reminded!

25th September
A.M. SAFETY AWARENESS TALK regarding quad bikes and golf carts. This will be aimed mainly at children and teens who are not in possession of drivers licenses, and of course any adults that may be interested.

The idea behind this is to ensure that drivers are aware of the dangers and safety features of these vehicles and of course the Estate House Rules in this regard.

THE EVENING OF THE 25TH – IT'S BINGO TIME!

This is going to be a fun evening for the whole family, so bring Gran, Gramps and the rest of the fandamily to join in good old fashioned BINGO, with a twist. So start learning the **Bingo Lingo**"four, knock on the door"..... "five, man alive", "seventeen, dancing queen" and many more !

THEN, ON THE

16th December **GOLF, GOLF and MORE GOLF –** **THE MARINA LETATA GOLF DAY**

Ladies, **NO** excuses as long as you can hold a golf club, you can join in! Don't stress about your "grip", or your "follow through", if you can swing a rolling pin or frying pan, that's good enough for the game !

We have booked tee off times at Maccauvlei Golf Club in Vereeniging. Start getting together your 'four balls'now. If you think there was competition between Units at the Amazing Hunt, you "ain't seen nothin' yet!"

Sorry for all of you, but Oosthuizen has told me he will be, quote **"too busy on my new tractor to join your Four Ball"**, and Tiger, quote **"will only make an appearance if you can guarantee a caddy from Teasers!"**

To turn this into a really fun day, we will once again be looking for prizes, so please start collecting these now if you can!

More detail to follow closer to the time, we just wanted to wet your appetite in plenty of time!

For more info on both these events, please feel free to contact Jenni Da Costa on 082 887 8009.

Well, that's it for now, check the website for updates and further info.

Looking forward to some warm Spring and Summer days and nights, some great boating in the season to come.

See you at ML soon,
Best regards,
Les
